3. Herbed Wreath
4. Simple Shoes
5. Eco-Tools
6. Clean Breaks
7. Hobo Bag
8. Wine Club
9. Charity: Water
10. Bamboo Office

My favorite Item this year; the **Amazon Kindle!** This truly is the future of reading. With this wireless device; you never have to read a paper book– just think of all the trees you’re saving! Once you finish one book, you can easily download another. My fingers are crossed that I’m getting one myself this year!

Great green gift for: Moms, Dads, Grandparents and Kids. The reader in your life.

If you remember last year, I was all over the reusable mug, but check this out! The **HandiSleeve** by Umbra. Add it to your coffee collection and stop wasting all of those paper sleeves. This is the ultimate green stocking stuffer for 09’. Check the Container Store for this fun gift.

Great green gift for: Spouses and friends or anyone who enjoys a morning cup o’ Joe.

How cool is this? An **organic herb wreath!** We get them from our neighbors and co-workers every year and although it adds holiday cheer, it usually ends up in the trash before Christmas even arrives, but NOT this year! This wreath is assembled on a farm in Northern California and is an assortment of rosemary, thyme and bay leaves with an accent of chili peppers. From your door to the kitchen; amazing!

Great green gift for: Co-workers, clients and neighbors.

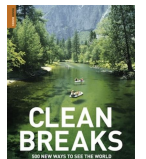

The most eco-friendly shoes on the planet with the coolest names on the planet; a perfect gift for the new toddler in the family. Pick from **Noodle, Doodle and Poodle.** Comfort and style will get your baby walking green before they can even say “eco-friendly.” www.simpleshoes.com

Bamboo make-up brushes from **eco-tools.** You can find these soft, hand-made eco-brushes at your local Walgreens. The set comes complete with five make-up brushes and makes a great stocking stuffer.

Great green gift for: Women and teens.

Even your most adventurous friend or family member gets tired of the same ol’ vacays! This new book; **Clean Breaks: 500 New Ways to See the World** by Jeremy Smith and Richard Hammond examines a whole new world of exploring. This book only talks about travel destinations that support local economies and strides towards environmental sustainability. **Great green gift for:** The outdoor enthusiast and travel connoisseur.

Everyone has a tote bag, but not everyone has an everyday use **hobo bag!** This bag really screams green and can be seen on the arms of your favorite celebs. No two of these bags are exactly alike; they are handmade from vintage quilts and recycled materials. Rising Tide Fair Trade makes these designer eco-bags. Not to fret, if it’s a bit out of your price range, you can explore plenty of other knock-offs with the same eco-mission.

Great green gift for: Women, teens and the pop-culture fanatic in your life.

Wine Club Membership from the Organic Wine Company! You can get the wine lover in your life 3 bottles per month of wines made with organically grown grapes

More than 1bil. people in the world don’t have access to clean water. Make a donation to **Charity: Water** in someone’s name instead of buying.

Help turn an office into a soothing retreat with this new **bamboo keyboard and mouse** made by Brando Workshop.

Great green gift for: The wine lover in your life.

Great green gift for: The philanthropist.

Great green gift for: The eco-geek.
